

Pixel Plus Hackathon 2025 - Website List

Hackathon Instructions:

1. Select website from this list
2. Create a pixel-perfect reproduction using one HTML file/webpage
3. Match every visual detail exactly - fonts, spacing, colors, layout, and interactive elements
4. Add something new to the site (**the more complex the better!**)
5. Host your creation (ie on Vercel, Github Pages) and submit the URL along with a link to your GitHub repo [[link](#)]

Good luck and happy coding!
